

CLASSROOM NEWSLETTER

APRIL 2025

What We Learned

Letter Recognition

We finished all of our letters! We all did a great job at recognizing upper and lower case letters and began to practice letter sounds. We are going to continue practice with letters in our centers.

Centers

We have started to fine tune our learning in our centers! We practice fine motor skills, color recognition, name writing and number/letter tracing!

Play Time

We have continued to explore the park and love finding new things! We added a new play area, the log area, and love to climb and balance on logs. We have started to see more wildlife as it gets warmer and love digging on our rain days!

Reminders

No school April 18th & 21st
End of year program: Friday,
May 16th
3's and 4's: 9:15am
Afternoon: 12:45pm

In the future...

We will continue to work in centers to improve our recognition of numbers and letters and practice fine motor skills. We are also learning about the solar system, different weather and careers in nature!
